

Geography is where  
things are and what  
happens in those places.  
Tobias- Year 6

I loved learning about  
Victoria Falls on the Zambezi  
River- did you know that it is  
108 metres tall?

## Geography Pupil Voice

December 2020

Learning all about North  
America has inspired me to visit there-  
especially Yellowstone National Park in  
Wyoming. Christopher- Year 4

I love looking at maps  
and atlases to help me to  
find out more about the  
world.  
Olivia- Year 5

I know that the  
continents are Asia,  
Africa, North and South  
America, Antarctica,  
Australasia and Europe.  
Ruby- Year 2
