Good afternoon everybody and welcome to this week’s newsletter. As you can see by the expanded ‘key dates’ table, we’re in for a busy final few weeks of the term!

Tomorrow we will be holding our annual summer fair. Thank to everyone who has volunteered their time to organise this and to those who have committed to help on the day. The forecast at the moment is looking mixed so be sure to bring your umbrella! Hopefully we will see you there tomorrow.

## Attendance Information

**Our school attendance target:** 97%

**Last week’s attendance:** 94%

**This year’s attendance:** 95%

The class with the **highest** attendance last week was: Year 5 (98.6%)

The class with the **best punctuality** last week was: Year 3 (no lates)

The class with the **most improved** attendance last week was: Year 5

**Please remember how important it is for children to be arriving at school on time and attending every day.**

### Sports Days

On Monday morning, children in years 1 and 2 took part in their sports day in the park. After an unexpectedly drizzly start, the weather brightened up and the children had a great time competing in their races. Unfortunately, things took a turn for the worse and we needed to postpone the KS2 sports day which was planned for that afternoon. This will now take place on Monday 15th July at 1.00pm.

On Wednesday morning, it was the turn of our Reception class to take part in theirs, brilliantly supported by the Y6 children. Thanks to everyone who organised the events and who managed to come to cheer on their children.

### School Development:

*At Calverley Parkside, we are continually reflecting on our provision and working hard to move our school forwards. This is what we have been focusing on this week:*

This week in our professional development meeting, Mrs Larkin led the session and focused on continuing to develop our whole-class approach to providing feedback to children in writing lessons. This is something we introduced at the beginning of the year so this was a good opportunity to review what was working well and what could be further developed.

### **Parkside Superstars...**

Well done to the following children for being awarded an achievement certificate this week to recognise their hard work and positive attitudes towards their learning:

#### **Reception:**

### **Our Assembly Focus...**

Each week, children in years 1 to 6 have an assembly on a Monday morning during which we focus on something linked to our school values. We also have a Key Stage assembly every other week in which we look at something linked to current affairs.

These have been our assembly themes this week. Please ask your children about what we have been discussing in assemblies.

**Monday assembly:** No assembly on Monday due to sports days

**Key Stage assembly:** Picture News assemblies

---

#### **Our assembly music...**

Each week, we choose a different musical genre to listen to as the children enter and leave assembly. The intention is to provide the children with additional opportunities to listen to a wide range of different music.

This week's chosen genre was: Rock

### **Quote of the week**

When I was transporting some children from one of the other schools in our Trust to the Pudsey Olympics last week, one of them asked me who I was. When I explained that I was the Executive Headteacher at Calverley Parkside, she looked at me somewhat suspiciously and said, "Mm, I'm not sure you look menacing enough to be a Headteacher!"

All those years of practicing my 'menacing headteacher' look have clearly been wasted!

### **Kemp Farm**

Earlier in the week, our Reception and Year 2 classes visited Kemp Farm in Horsforth. They had a tour of the farm and learnt lots about how food is grown on a larger scale. The children represented school admirably as usual and had a wonderful time at the farm.
