Thurs 18th July	Y6 performance to parents– 6pm
Friday 19th July	Children break up for the summer holiday

Good afternoon and welcome to this week’s newsletter. It has been another really busy week in school with lots to tell you about. We’ll start with the amazing summer fair on Saturday. Thank you so much to everyone who joined us for this excellent event. The weather just about held off for us which enabled everyone to enjoy the wide range of games, stalls and activities. Of course, the stocks made their annual appearance– well done to Mr Cuthbert, Aida and Isaac for volunteering to have wet sponges (and a certain amount of playground grit) thrown at them.

A huge thank you goes to everyone involved in organising and running this event. A massive amount of work goes on behind the scenes to get everything planned for the big day and then we of course needed lots of people to supervise the stalls. We really do appreciate you giving up your time to enable these events to take place.

Attendance Information

Our school attendance target: 97%

Last week’s attendance: 93.83%

This year’s attendance: 95.13%

The class with the **highest** attendance last week was: Willow (Y6)

The class with the **best punctuality** last week was: Sycamore (Y5)

The class with the **most improved** attendance last week was: Willow (Y6)

Please remember how important it is for children to be arriving at school on time and attending every day.

Transition day:

On Tuesday, we held our transition day in school. This was an opportunity for the children to spend the day in their new classes and start to get to know the teacher and other adults they will be working with next year. It was a very successful day for all involved.

Before the end of term, all of our teachers will be meeting with the teachers who will be teaching their classes next year to have hand-over meetings. The purpose of these is to make sure that all the relevant information is passed on in preparation for next year.

Sports Days:

The KS2 sports day has been rearranged for Monday 15th July at 1pm.

Hopefully the weather will be kind to us but if we are unable to go ahead with it on Monday it is unlikely that we will be able to rearrange it again due to a very full diary in the final week of the term. Fingers (and everything else) crossed that it stays dry for us.

On Monday morning, our Nursery children took part in their sports day. Thank you to everyone who managed to come to watch them having a brilliant time taking part in their sporting activities!

Y2 trip to Scarborough

On Wednesday, Year 2 visited Scarborough to enhance their Geography 'Seaside' topic. Whilst there, they paddled in the sea, looked at how the land use in a seaside town such as Scarborough differs from Calverley and carried out some mini interviews with members of the public, asking them about

their reasons for visiting. The children really enjoyed their seaside experience (and their ice cream). Thanks to Mrs Mahmood for organising the trip and to the other staff who accompanied them.

Quote of the Week

When Year 2 returned from their trip to Scarborough on Wednesday, I asked Jude if he had had a good time. He replied with, "Yes, but a seagull ate my sandwich!"

Owlcotes Cup

On Monday afternoon, our Year 4 children visited Pudsey Primrose Hill Primary School to take part in the annual Owlcotes Cup. Throughout the day, Year 4 children from schools across the Trust worked together in their school teams to earn points by completing a range of activities such as an obstacle course, shuttle runs, bench jumps, standing long jump and football toe-taps. Our children represented school brilliantly as usual and gave it their all. We don't know the results yet but we will notify you once we find out.
