## Attendance Information

Our school attendance target: 97%

Last week's attendance: 94.57%

This year's attendance: 95.71%

The class with the **highest** attendance last week was: Y4—Rowan

The class with the **best punctuality** last week was: R, Y1, Y2, Y4

The class with the **most improved** attendance last week was: Y6—Willow

**Please remember how important it is for children to be arriving at school on time and attending every day.**

## **Dance Competition:**

We are extremely proud of all our KS2 entries for the dance competition—the children developed and choreographed their own dances and we were impressed with the quality and the inclusivity across school.

Well done to our team that progressed to the final of the dance competition—coming second in this. The final was held at Crawshaw.

## Assembly

This week our mini assemblies were about 'having a voice' and being able to advocate for yourself. We role played scenarios in class to help in scenarios where people can dominate, developing self awareness where we might try to dominate in games or discussions.

## **Key changes**

**It was a busy last day of the half term as our SLT have been busy working away on some exciting curriculum developments— watch this space for future trials and pilots to new schemes and initiatives we want to run.**

**We have started to develop a rewards store in Class Charts so children can use their positive points to buy in-school rewards. We are launching the store after the half term holidays and will show the children the final store.**

**We have applied to be able to expand our wrap around care at school—I am waiting to hear back on this, with a view to being able to offer an additional 16 places at before and after school club, which will include provision for our Nursery children. We will let you know the result of the application and the plans to expand as soon as we know.**

### **Arbor**

**We are looking to transition fully to using Arbor for payments and communication. Please make sure you have logged into your account and have access to this. Download the app too! Please prepare to make all outstanding payments on SchoolMoney.**

**Ready**

**Respectful**

**Responsible**
