Next week is our neurodiversity week. Where we raise awareness and celebrate the differences we have in the world. We will be exploring autism, ADHD, dyslexia, dyspraxia and Downs Syndrome as part of the week. On Friday—children wear odd socks!

Attendance Information

Our school attendance target: 97%

Last week's attendance: 96.87%

This year's attendance: 95.84%

The class with the **highest** attendance last week was: Y5—Sycamore

The class with the **best punctuality** last week was: Ash—Reception

The class with the **most improved** attendance last week was: Y5—Sycamore

Please remember how important it is for children to be arriving at school on time and attending every day.

Website

Please be aware that our school website is undergoing a steady update to provide you with the most current and relevant information. Alongside these website improvements, we are also actively developing and refining key school policies. We understand the importance of clear guidelines, and we are committed to ensuring these policies are readily accessible to all families. In particular, we are developing a new late collection policy, which will outline procedures and potential charges for families who are unable to collect their children at the designated dismissal time. We will communicate the details of these updated policies, including the late collection policy, through the website and other channels as they are finalised. We appreciate your patience and understanding as we work to enhance our communication and operational procedures.

Assembly

Our assembly last Monday was all about your 'inner spark' and we discussed about how things we enjoy, we are intrinsically motivated to do them. We looked at integrity and how doing the right think can give positive feelings, which we then linked to motivation. We discussed not every good deed will get a reward, other than these positive feelings—and ultimately, what we want is for everyone to be motivated intrinsically vs being rewarded by points and physical rewards. ***How do you promote intrinsic motivation at home?***

This week we have had visits from authors!

Key changes

New Get up and Move strategies have been modelled to our class teachers this week—ask your children about any activities they have engaged in that has required movement! I have visited classes and enjoyed the physicality added to sessions to keep them engaging!

Author visits and books:

We have some exciting literary news! Next Tuesday, March 18th, author Jess French will be visiting our school to discuss her latest adventure, "Legend of the Crystal Caves," the newest instalment in her Beastlands series. With two books now available, at £7.99 each, children are welcome to bring cash if they'd like to purchase a copy and have it personally signed by Jess. This visit follows a fantastic draw-along workshop this week with the talented Kate Pankhurst, who inspired our students with her creative illustrations. We're thrilled to continue fostering a love of reading and writing with these enriching author experiences.

Arbor

We are looking to transition fully to using Arbor for payments and communication. Please make sure you have logged into your account and have access to this. Download the app too! Please prepare to make all outstanding payments on SchoolMoney. *This week we have support with Arbor to initiate this full switchover.*

Calverley Community

2nd Calverley Scout Group · 2d ·

2nd Calverley Scouts are on a Mission to help homeless people in Leeds and we NEED YOUR HELP!

We worked with the lovely Jess from St George's Crypt and decided that we would cook a meal for the residents as well as collecting as many donations as we can.

Can you help us by donating any of the following?

- Adult clothes
- Back packs
- Tinned food with ring pulls
- Toiletries

Our donation boxes will be in the entrance of St Wilfrid's Church until *next* *Monday* (17th March)

We will be taking everything to Leeds that evening. Please help us fill our boxes.

Thank you so much Calverley Community.
