Theme week

Next week in school we have our Owlcotes theme week—the theme is based around art and design. This year we will be focusing on food! The ‘design’ element of the week will be focused on food technology and cooking—with classes across school creating a range of different foods.

The art element will include our children looking at the artist Giuseppe Arcimboldo—whose work uses food as an inspiration for their artwork.

We also have the Halloween discos on the Friday—where children can come in their

costumes. Please note: these costumes must be appropriate for all ages in school—please be mindful that Reception and Nursery children will see these costumes.

Attendance Information

Our school attendance target: 97%

Last week's attendance: 96.34%

This year's attendance: 96.3%

The class with the **highest** attendance last week was: Chestnut—Y2

The class with the **best punctuality** last week was: Rowan—Y4

The class with the **most improved** attendance last week was: Hazel—Y3

Please remember how important it is for children to be arriving at school on time and attending every day.

Skipping—Year 4

Our Y4 class had a visitor in school this week from the Skipping School—a trainer who has shown the children all the different types of skipping they can train to use at the Skipping festival they will face later in the year.

This will be a competitive event where children showcase their skills against other schools, where successful schools will enter the next round of the competition. Ask your children to showcase their newly acquired skills!

School Development:

At Calverley Parkside, we are continually reflecting on our provision and working hard to move our school forwards. This is what we have been focusing on this week:

This week we welcomed you all into school for the first of this year's parents' evening. We hope these were informative—if you were unable to make an appointment, please speak with the class teacher and they will be able to offer you a time to discuss the progress your children are making.

Our Assembly Focus...

Each week, children in years 1 to 6 have an assembly on a Monday morning during which we focus on something linked to our school values. We also have a Key Stage assembly every other week in which we look at something linked to current affairs.

These have been our assembly themes this week. Please ask your children about what we have been discussing in assemblies.

Monday assembly: Communication—Kind Communication

Key Stage assembly: Picture news

Our assembly music...

Each week, we choose a different band, artist or composer to listen to as the children enter and leave assembly. The intention is to provide the children with additional opportunities to listen to a wide range of different musical genres.

This week's music has been brought to us by:

Green Day

Year 5 and Y6—Football events

This week we had two football events for the Y5 and Y6 boys. On Tuesday there was a develop and play event, and on Thursday a competitive event.

Man of the match for Parkside was Isaac, who made some great saves in goal!

Many thanks to those who attended to represent school.

Next week are the Y5 and Y6 girls events, with a develop and play event on Tuesday and a competitive events for them on the Thursday.

Parking reminder:

Please remember that parking on the zig zag lines outside of school and Nursery is not permitted. Please can we also ask on behalf of members of the community that during busy times like the beginning and end of the school day, you carefully considering parking around the school perimeter. On occasion, some parents have expressed concerns with parking on double yellow lines and the safety of their children—please be wary that some of our children with additional needs are very vulnerable.

Is it cake?

Just a reminder that next week, in Monday's assembly, we will showcase any entries into our 'Is it cake?' showcase!

Get baking over the weekend and try to create a cake that looks like a real life object!

Bring these into school on Monday morning, and during assembly these will be presented.
