Getting Ready for Next Year & Summer Fair Fun!

It has been wonderful to see the children so excited this week as all classes moved into their new classrooms for next year and spent quality time working with their new class teachers. There has been a real buzz around school, and it has been a fantastic opportunity for both the children and our teachers to start getting to know one another.

We know that many of you, and the children, are very eager to receive the full staffing structure for the new academic year. We are close to finalising this, but some recent changes have caused a slight delay in its release. We want to ensure the information we share is complete and accurate. Thank you so much for your patience and understanding; we truly appreciate it and will share the full structure with you as soon as it is confirmed.

On that note, we are delighted to provide an early update and formally welcome Mrs. Smith, who has been visiting school this week. She has had a lovely time meeting our staff team and your children, and some of you

may have spotted her on the gate this morning with Piper! While not in the previously announced structure, we can now share that Mrs. Smith will be teaching one day a week in Year 6 and one day a week in our Reception class, which is fantastic news for both year groups.

This is part of a wider restructure of roles and responsibilities for staff, which we are currently working through to enhance capacity and support across the school. We look forward to sharing more details on this with you soon.

Finally, the excitement has been building all week for our Summer Fair tomorrow! A huge thank you to everyone who has delivered cakes to school this morning ready for the 'Bake Off' – the selection looks absolutely amazing. We hope you are all feeling hungry and look forward to seeing you there for a wonderful community event. See you tomorrow!
