

# The Parkside Weekly

Friday 31st January 2025

<b>Tuesday 4th February</b>	Y1—Y6—Judo taster session
<b>Monday 10th February</b>	Wonderdome—Planetarium
<b>Tuesday 11th February</b>	KS2 VR Workshop
<b>Monday 10th—Friday 14th Feb</b>	SEN meetings
<b>Friday 14th February</b>	School closes

We welcome back Mr Cuthbert on Monday after his two weeks of parental leave—hopefully he has enjoyed the time with Ashby and is ready to return—full of energy (optimistic, we know!)

We have been busily resourcing our new internal resource provision, an alternate space for children to be able to access learning outside the mainstream classroom. We have been working to organise groups across school to access teaching and support in this provision.

## Attendance Information

Our school attendance target: 97%

Last week's attendance: 96.23%

This year's attendance: 95.71%

The class with the **highest** attendance last week was: Rowan—Y4

The class with the **best punctuality** last week was: Chestnut—Y2

The class with the **most improved** attendance last week was: Rowan—Y4

**Please remember how important it is for children to be arriving at school on time and attending every day.**

## **Mental health practices in school:**

Y6 have been exploring the use of check-ins and check-outs to help with any teething problems before we roll this out across school. This week we will be setting up alerts for any children struggling, which will notify the pastoral team to be able to offer support. Staff in class will ensure children have measured themselves accurately on the scale, and anything requiring urgent support will be logged.

Please also keep an eye out on key dates, as we are working alongside Mindmate to prepare some parent workshops around anxiety and managing feelings. Staff this week have been looking at 'emotion coaching' in our staff meeting—this may be something to explore as parents and carers to be able to mirror this approach at home.

## Assembly

Assembly this week focused on 'filtering' - it was all about being in control of your thoughts in your 'inner voice' (in your head, internal monologue). We talked about asking yourself questions before these inner thoughts come out: is it kind? Is it useful/appropriate?

We will be talking to children about using their 'filter' in many different ways—including for actions too!

## Achievements

### Y3

Reading— Rose and Flynn

Writing— Martha

Maths— Arthur

Listener— Boden

Independent Learner— Aaryen

Handwriting— Jude

### Y4

Reading— Brandon

Writing— Jenson

Maths— Saydah

Listener— Elsie

Independent Learner— Praise

Handwriting— Mabel

### Y5 (To be awarded Monday)

Reading— Sophie

Writing— Frankie

Maths— Finn

Listener— Jess

Independent Learner— Sophia

Handwriting— Elijah

### Y6

Writing—

Ralph

Maths—

Darcy

Listener—

Rosie

Independent

Learner—

Jacob F

## Key changes

**Many thanks to those who have volunteered time to support on class trips in school. You should have received an email to acknowledge your returned letter—if you are interested and haven't yet returned the letter, you are still able to register your interest, please hand this in to the office. If you require a letter, please also contact the office.**

**From Monday, staff will begin to log behaviours on our new Class Charts system—please see the separate letter about this—you should have received this via email.**

**School have received orders to be able to have playdough for every child in school to be using for their lunchtime 10 minutes on a Thursday. It is definitively the most anticipated day of the week for lunchtime now!**

## Arbor

**We are looking to transition fully to using Arbor for payments and communication. Please make sure you have logged into your account and have access to this. Download the app too! Please prepare to make all outstanding payments on SchoolMoney.**
