

# School News & Updates - 26th September, 2025

## A Note from Mrs Smith

We've had another wonderful week here at Calverley Parkside. It's been so lovely to see children getting out and about and enjoying Autumn in their outdoor days. The weather has been much kinder to us this week and we've finally been able to open our amazing new trim trail. Thank you so much to friends of Calverley Parkside for funding this. The children absolutely love it and can't wait for their play session. By this time next week, all classes will have had their first turn on it.

Please see a reminder here of important dates for this half term

Date	Event
Wednesday 1st October	Governor's Meeting
Wednesday 1st October	Year 4 Visit to the Church - Heritage Visit

Friday 21st November	Non uniform day - bring a bottle for the xmas fair tombola.
Friday 28th November	Non- uniform day - bring some chocolate for the

### **Year 3 and 4 Handball**

On Thursday, six pupils from year 3 and 4 took part in a handball event. They competed against other schools in the Pudsey area and showed exceptional behaviour and effort. Well done to Finn, Harry T, Joey, Alfie, Leo and Ayaan! We hope you had lots of fun representing Parkside!

### **Year 2 Walk to the Woods**

On Friday, Year 2 went on an adventure to Calverley Woods. The purpose of the visit was to give children a learning experience for their 'recount' unit in their writing lessons. Children were encouraged to explore what they could see, hear, and touch to inspire them to create vivid descriptions in their writing; we can't wait to see their outcomes!

## Parents' evenings

Appointments are live on Arbor now for you to login and sign up. If you are a split family and you haven't previously let us know about this, please could you pop in to the office to let us know. This will mean that we can make sure that we allocate two appointments per family rather than one.

## Autumn Days...

All of our classes have really been loving their outside personal development days with Miss Parker.

She has taken them over to the park to complete tree rubbings, they have been doing maths and english through orienteering and playing team games to build relationships. Keep your eyes peeled for more updates on our move and learn curriculum...
