

School News & Updates - 20th March, 2026.

A note from Mr Jolley:

Y4 Residential

What a week! Year 4 had a fantastic residential. Throughout the experience, the children fully immersed themselves in every challenge, approaching each new activity with boundless energy and a "can-do" attitude. Beyond their adventurous spirit, their exemplary behavior was noted by staff and instructors alike. They demonstrated remarkable teamwork, resilience, and kindness toward one another. Of course, no residential is complete without a few surprises—the clear highlight being a cheeky goat who decided that one team's orienteering sheet looked like a snack!

SEND Parent Event

Thank you to all the parents and carers who joined us for our recent SEND Coffee Morning. It was lovely to see so many of you there and to have the opportunity to connect and share experiences. We are pleased to let you know that we will be holding another SEND Coffee Morning on **13th May, 9:00am**. This time there will be no guest speaker; instead, it will be a relaxed opportunity for parents and carers to chat, ask questions, and share ideas with one another.

At the end of this newsletter, you will also find some attached flyers with information about **drop-in sessions at local Family Hubs**, which may be helpful sources of support and advice for families.

Year 3 and 4 Boys' Football Event

On Thursday evening, some pupils from year 3 and 4 took part in an after school 'come and try' football event. The boys represented the school superbly showing respect and resilience throughout the event.

Reception: Baptism Visit to church

The reception class had a lovely morning at Church on Tuesday. We all took it in turns as 'families' to name and baptise our babies. Some of us even got a chance to act as the vicar. We loved using the real font to make the sign of the cross on the babies heads and even more exciting was getting to hold a real candle to celebrate the occasion (supervised of course).

Later in the day we had a little baptism party where we all made a fuss of our babies, ate some cake and had a dance.

Our class babies are now officially named:

Evie, Evie Mavagor, Clora Harriet, Blossom, Snowdrop, Sparkle and Scott Laser Skywalker.

Y2 - Healthy Rainbow Platters in DT

Y2 have been busy using a range of healthy options to create their very own rainbow skewers! These tasty treats were a hit!
