

School News & Updates - 31st May, 2026.

A note from Mr Jolley:

Back from the half term holidays!

I hope everyone had a good half term break. The last half term had flown by and had been a very short one! Luckily, the weather was great for the break! I have really enjoyed being in classes quite a lot in the last half term. I would like another shout-out to our Y6 pupils, who tackled the SATs with style. I saw just how focused they were too in preparing their writing portfolios... alongside preparing for all the fun activities that come with the reward of hard work for the year!

We are looking forward to having everyone back in school tomorrow. We are hoping for a strong half term for attendance to finish the year.

EYFS area washdown!

I cannot wait to see the results of the half term clear-up of the EYFS outdoor area!

We have had the area professionally cleaned and treated over the break - and I received this photo as a preview of what started to come out from the clear-up!

Full before and after photos will follow - alongside some information to gratefully thank a local business who provided the service for us.

A message from Kids Club Calverley:

Dear Families,

Firstly — THANK YOU so much for the incredible response to our summer survey. The interest has honestly exceeded expectations and has helped us shape the summer around exactly what families are looking for 🧡

Based on your feedback, we are delighted to announce that we are now releasing:

- ✅ Summer Weeks 2–5
- ✅ Tuesday–Thursday sessions
- ✅ New extended hour options
- ✅ Updated pricing and packages based directly on survey responses

Kids Club - Art Entries

We are absolutely thrilled to share that the children at Calverley Parkside Kids Club recently took part in the national Ocean Artists art competition run by Young Artists! The children blew us away with their incredible creativity, drawing everything from sea creatures and mermaids to pirates and shipwrecks.

We are incredibly proud to announce that the children pictured below have had their artwork officially selected for publication in an upcoming full-colour book featuring talented young artists from across the UK!

Summer Fair 2026

We are delighted to share the date for this year's summer fair - which will be Saturday 4th July. More information will follow for the event - save the date! We look forward to having everyone come along to school and engage with the community event.

As part of the planning and preparation, I am sharing that we have some non uniform days in the table below with contribution requests. Friday 19th June, bring a bottle donation as part of non-uniform day 1. Friday 26th June, bring chocolate donation for non-uniform day 2.

Year 5	Reading: Leo Lines Handwriting: Edward Robertson Presentation award: Lucia Thornton Maths: Joshua O'Brien Writing: Samar Aziz Listener: Ruby Brennan
Year 6	Whole class shoutout - SATs!

We want you

Are you struggling to get your child to see a dentist?

Do you think they can sit on a dental chair and accept dental treatment?

Are they between 5 and 14 years old?

We are currently introducing a scheme in which we accept parental referrals for children to receive a course of treatment at the Leeds Dental Institute. This means that we are able to offer appointments to children on a first-come first-served basis.

The Leeds Dental Institute (LDI) Student Clinic is a teaching unit which aims to provide the best possible care for our patients. Our students provide patient care appropriate to their level of training and experience and are closely supervised by registered dental professionals who are teaching staff for the School of Dentistry, University of Leeds.

This scheme is not intended to provide emergency dental care for your child. If your child is experiencing dental pain, you should look up urgent care services that provide dental treatment or contact NHS 111. Leeds University Dental Students would not replace your General Dental Practitioner. Your child will be discharged after the completion of a course of treatment.

Appointments are **Monday-Friday in term time**. Treatment is scheduled around University holidays, exams and other student commitments. Missed appointments without prior notification may lead to your child being discharged from the care of University of Leeds Dental Students.

Scan this QR code to access our referral form.

Once completed, email it to:

leedsth-tr.dentpaedvolunteers@nhs.net

Scan this QR code to watch a video about what its like to come to see dental students at Leeds Dental Institute
