

School News & Updates - 5th June 2026.

A note from Mr Jolley:

Class teachers 2026-2027

We are delighted to share the location of our class teachers for the next academic year in advance of the transition day - please see the table below.

From our most recent recruitment, we are also sharing that Miss McCormack was successful and will be remaining with Parkside for an additional year.

We have also recruited Miss Walker. She will be joining our team for a term in Year 4. Following this, Mrs Wootton will be returning from maternity leave in December to take over from Miss Walker.

We are also welcoming another new member of staff, Mrs Roundhill. Mrs Roundhill will be teaching in Year 5 for one day per week and Year 3 for one day per week.

I am sure there will be queries around support staffing and their placement, please be patient as we have much more planning around the deployment of staff, with new cohorts to learn about and plan for.

For the transition day, existing support staff will follow the class of children to give some familiarity on the day.

Year 1	Miss McCormack
Year 2	Miss Wilson-Schofield
Year 3	Mrs Shorthouse / Mrs Roundhill
Year 4	Miss Walker (Autumn), Mrs Wootton
Year 5	Mrs Lambert / Mrs Roundhill

Sunday 28th June
12pm-4pm
Victoria Park

We're planning a great day for all the family that will bring the whole community together and give visibility to all the great organisations and businesses in our fabulous village.

There'll be a fun run, bands and circus acts, our local community choir, food stalls, dance performances, tombola, raffle and much more.

Here's how you can get involved:

- 1) Get your organisation to save the date in their diary and come along!
- 2) Join in the Calverley Little Legs for Life fun run around the park.
- 3) Donate a raffle prize
- 4) Have a stall to promote yourself and make some money
- 5) Have a food or drink truck to keep everyone fed and watered
- 6) Sponsor the carnival and get your name out there
- 7) Help out on the day to be part of your community event, from running the tombola to helping setting up or clear up at the end

If you would like to take part in any way, please contact Shelley Edwards by email at calverleyparkcarnival@gmail.com

Spread the word through your organisations please.
Thank you

We want you

Are you struggling to get your child to see a dentist?

Do you think they can sit on a dental chair and accept dental treatment?

Are they between 5 and 14 years old?

We are currently introducing a scheme in which we accept parental referrals for children to receive a course of treatment at the Leeds Dental Institute. This means that we are able to offer appointments to children on a first-come first-served basis.

The Leeds Dental Institute (LDI) Student Clinic is a teaching unit which aims to provide the best possible care for our patients. Our students provide patient care appropriate to their level of training and experience and are closely supervised by registered dental professionals who are teaching staff for the School of Dentistry, University of Leeds.

This scheme is not intended to provide emergency dental care for your child. If your child is experiencing dental pain, you should look up urgent care services that provide dental treatment or contact NHS 111. Leeds University Dental Students would not replace your General Dental Practitioner. Your child will be discharged after the completion of a course of treatment.

Appointments are **Monday-Friday in term time**. Treatment is scheduled around University holidays, exams and other student commitments. Missed appointments without prior notification may lead to your child being discharged from the care of University of Leeds Dental Students.

Once completed, email it to:
